IN RE: INTERSTATE POWER AND LIGHT COMPANY	DOCKET NOS. RPU-2012-0002 TF-2012-0657
---	---

ORDER APPROVING COMPLIANCE TARIFF

(Issued January 3, 2013)

On November 26, 2012, the Utilities Board (Board) issued an "Order Approving Settlement Agreement and Canceling Hearing" in which the Board approved an annual revenue increase for natural gas service provided by Interstate Power and Light Company (IPL). In the November 26, 2012, order, the Board approved a settlement agreement that resolved all outstanding issues in the docket, provided for an increase in annual revenues of \$10,500,000, rejected the permanent tariffs filed by IPL in TF-2012-0374, and discussed concerns the Board had with certain tariff provisions proposed by IPL in the initial general rate increase filing. The order also required IPL to file a compliance tariff consistent with the settlement agreement and the November 26, 2012, order.

On December 11, 2012, IPL filed a compliance tariff. The compliance tariff has been identified as TF-2012-0657 and has an effective date of January 10, 2013.

On December 21, 2012, the Consumer Advocate Division of the Department of Justice filed a pleading stating that it has no objections to the compliance tariff.

The Board has reviewed the compliance tariff and finds that it implements the settlement agreement by providing rates that are designed to recover the \$10,500,000 in additional revenue. The compliance tariff also addresses the concerns raised by the Board in the November 26, 2012, order with regard to certain tariff provisions.

IT IS THEREFORE ORDERED:

The compliance tariff, identified as TF-2012-0657, filed by Interstate Power and Light Company on December 11, 2012, is approved effective January 10, 2013, subject to complaint and investigation.
